WARRANTIES

***Terms & Conditions:** All orders placed or services performed with Z1 Motorsports, hereby referred to as Z1 constitute acknowledgment and acceptance of all conditions and terms listed under Z1 Terms & Conditions, and all conditions listed below. All parts shall remain the property of Z1 until paid for in full. All prices, materials, design, and specifications are subject to change without notice. It is the customer's responsibility to retain any and all invoices for their record. All sales are final by Z1 (seller) to said account (Buyer). Buyer understands that all goods sold by Seller are in "as-is" condition. Seller does not have any control of what consistency said manufacturers have in production of said good.

***Shipping:** Shipping charges for aftermarket racing products are determined by the individual weight and size of the product, and the preferable shipping method is via FedEx ground. Faster service is available upon request. Please contact Z1 to request your preferred method. Shipping methods for large body parts, transmissions, and engines are via truck-freight anywhere within the contiguous 48 U.S. States, which will take approximately 7~10 days for delivery. Damage resulting from shipping will be remedied only if it is reported to the truck driver immediately. Z1 will not be responsible for any extra shipping charges that may arise from re-shipping where the recipient (Buyer) was not present to accept the goods, or lift-gate charges on undeliverable addresses.

Tax: 7% Tax will be applied to Georgia residents and walk-in customers. Items shipped to other states are Non-Taxable.

Payment: Wire Transfer, Paypal, Money Order, Cashiers Check, or any of the Credit cards accepted by Z1.

Returns: Seller does not accept any returns. Once order has been placed, it is considered a FINAL SALE. What this entails is that Buyer now accepts these goods in fair condition and is now in the Buyer's possession of merchandise. Should a motor become damaged during use, we shall inspect it, and determine if the cause of said damage is due to an improperly working component, or due to the misuse of said motor. If it is determined to be a faulty component, we will repair or replace the motor solely at our discretion. If it is determined that misuse damaged the motor, the buyer will be responsible for expenses for inspections. Nitrous Oxide use, high boost, modified components, and Improperly configured tuning systems, lack of lubrication and overheating are a few examples of what is considered misuse.

Aftermarket Product Warranties: All warranties express or implied are done by the manufacturer of the product and not by the seller. Seller's sole warranty for each product is set forth in the warranty documentation associated with the product from the manufacturer. Seller will process all warranties in a timely manner on the Buyer's behalf but Seller is at the sole discretion of the said manufacturer in terms of merchandise being returned to Buyer in a timely fashion. Seller gives no warranties express or implied, including, but not limited to, the implied warranties of merchantability and fitness or performance of a particular part for a particular purpose.

High Performance Engine Warranties & (JDM used Engines): None is given and none is implied. Unit when installed properly, will startup and run without problems. If mechanical problems are found the below action will be taken.

1. Sold "as is", in running condition, upon delivery. 2. With NO warranty expressed or implied. 3. Z1 is not responsible for any mechanical issues that may arise during use of the driveline components. 4. Z1 is not responsible for any electrical issues that may arise due to improper installation. 5. NO RETURNS OR EXCHANGE 6. ALL SALES ARE FINAL (unless you can show extenuating circumstances as to why you need a refund you are entering into a binding legal contract with us, as such we hold this right. Any refunds we issue will be accompanied with a 20% restocking fee at your cost.

Purchases over 30 days old "WILL NOT" be refunded you MUST accept the product ordered or forfeit your right to it.

Engine Purchase Liabilities: Z1 is the seller of used, and new, high-performance, non-conforming (EPA standards) motors that are intended for the sole purpose of racing only, and are not for street use. Z1 has made it known that any motor sold is never to replace any emissions legal motors and is for RACING USE ONLY and can never be used on any public road in the United States of America. High Performance motors are not an EPA/CARB/SMOG legal motor for street use and cannot be legally installed in a car unless permission has been granted by the local state agency governing these laws. Z1 bears no liability in, and does not condone any form of illegal racing. Participating in such activities may result in fines, vehicle loss personal injury or injury to others, and possibly death.

Breach of Contract: If for some reason during the course of the purchase process the buyer is forced to pull out of the transaction, there will be a 25% restocking fee processed on their order and their refund will reflect this charge. Likewise the refund will be held until another buyer is found or until other arrangements can be made. Deposit placed to hold goods is good for 45 days, if the balance has not been paid for upon the 45th day, the deposit becomes non-refundable.
